SPOT GEN3

SPOT GEN3 gives you a critical, life-saving line of communication when you travel beyond the boundaries of mobile coverage. SPOT GEN3 lets family and friends know you're OK, or if the worst should happen, sends emergency responders your GPS location - all with the push of a button. Add this rugged, pocket sized device to your essential gear and stay connected wherever you roam.

NEW TO SPOT GEN3: ENHANCED TRACKING SERVICES

CUSTOM TRACKING RATE

SPOT GEN3's customised tracking allows you to change the rate tracks are sent to 2.5, 5, 10, 30 or 60 minutes when you upgrade to Unlimited or Extreme Tracking.

MOTION ACTIVATED TRACKING

A vibration sensor tells SPOT to send your GPS location when you are moving and to stop when you do. This conserves battery power and avoids sending duplicate tracks.

CONTINUOUS TRACKING

When you upgrade to Unlimited or Extreme Tracking SPOT GEN3 will send track messages until you turn off your SPOT. No need to reset after 24 hours.
